

RUBY ROUBAIX

June 28, 2025

LAMOILLE, NV

www.rubyrroubaix.com

Registration is Now OPEN!

Online registration is open until June 26, 2025. **Register before 12 AM on Tuesday, April 15, 2025**, and save a few bucks before entry fees increase. This is a fundraiser for The Elko Desert Sunrise Community Fund. We support youth leadership camps, college and technical school scholarships, incoming and outbound International youth exchange, community development initiatives, and support throughout the year for programs that encourage community service, volunteerism, and sustainable 'quality of life' initiatives. (We enjoy doing GOOD THINGS!)

NEW THIS YEAR

Luciano's lucianosnv.com has graciously offered to sponsor a fundraiser meal for cyclists and guests during the packet pickup and last-minute registrations at the Lamoille Schoolhouse on Friday, June 27, 2025. Load up on your carbs, connect with your cycling friends, pick up your SWAG and event packet, and get the scoop on the course you've chosen before "O'-Dark Thirty" Saturday morning. All ticket proceeds support scholarships for graduating high school seniors with plans to attend college or technical school programs.

More information about the Friday night dinner will be coming soon.

THANK YOU, Erin Gerber of Luciano's Elko

**Register by April 16th to
receive your FREE shirt!**

Thank you Veterans

If you are a veteran, please email info@rubyrroubaix.com with "Veterans Discount" in the subject line. Ask for the coupon code and include your name and branch of service. We will reply with a code that men or women can use to enter any category you choose for a deeply discounted flat fee with a small handling charge.

The BIG Loop - Heads Up

The 120.5 mile Ruby Loop ride begins and ends in scenic Lamoille along the west flank of the Ruby Mountains, with the highest range peaks dominating the eastern skyline as you head south toward Lee (Lee Peak, Mount Gilbert, and Ruby Dome (11,392')) and the headwaters of the South Fork of the Humboldt River. Depending on the winter-spring snowpack, you may encounter a couple of water crossings along this section. From Lee, you will enter into one of the most challenging parts of the ride. At mile 22, you will come off a gravel road at Woods Lane, cross over a paved highway, and enter onto a dirt/bug dust (loose fine dirt) two-track road that presents significant challenges due to large washouts and deep ruts. Riders should be especially cautious in this area, as the terrain can be unpredictable and difficult to navigate. It's crucial to slow down and maintain control to avoid accidents or damage to the bike or other persons. Everyone should be mindful of their surroundings and ride with extra care through this approximately 4.5-mile portion of the Ruby Loop.

Camp Lamoille

As of this publication, we have 9 (nine) commitments. To break even, we need 28 commitments held by a deposit by March 5, 2025. This is

not designed as a revenue generator; we need to cover the costs to

not designed as a revenue generator, we need to cover the costs to secure the camp. It is such a lovely place and so popular with those in our area; we are fortunate to have reserved it with refundable deposits for 2025, 2026, and 2027. If we don't get enough responses this year by the deadline, we will surrender the camp reservation and refund your \$40 deposit.

Here is how it works. Your questions and our answers:

Q: Four of us need a camping spot with space for our tent and gear. How much will it be for the weekend - Friday 1PM to Sunday at 12:00 Noon?

A: \$110

Q: I have a motor home; we need water and power. How much for us?

A: \$110

Q: I see there are some A-frames and cabins. If 8 of us pile into one of those, how much will that cost?

A: \$110

Q: I travel alone, and I sleep in my car. And I only need to stay for one night. How much will that cost?

A: \$110

After your event, we will provide a shuttle service to get you and your bike back up the hill. Power and water hookups are limited. Sign up now. YOU WILL LOVE IT!
